Lead Projectile Ammo Prohibited in California Condor Range

As of July 1, 2008, it is **illegal to use lead projectile ammunition** for hunting deer, bear, wild pig, elk, and pronghorn antelope in areas designated as California condor range. This area includes a portion of deer hunt zones A, D7, D8, D9, D10, D11 and D13, as well as the Fort Hunter Liggett and La Panza Tule Elk hunts. (Section 353, Title 14, of the California Code of Regulations (CCR)). Additionally, the regulations prohibit the use of lead in the same areas when hunting coyote, ground squirrels, and other nongame wildlife (Section 475, Title 14, CCR).

Enclosed are two multilingual flyers; please post the flyers in prominent areas. For more information on Hunting in the California Condor Range visit our web site: www.dfg.ca.gov/wildlife/hunting/condor/.

Delivery of License Orders

DHL has reduced delivery services that affect multiple areas (see postal codes listed on back). DHL is using a third party carrier (i.e. United States Postal Service (USPS)) to deliver packages to these areas. Orders shipped Collect on Delivery (COD) within the zip code ranges are being returned to the DFG by the USPS. If a shipment is returned, the DFG will contact you to make payment and delivery arrangements. COD Agents within the non delivery areas are being asked to prepay for all license orders by credit card (Visa or MasterCard) or by mailing in an order form with a check or money order until this is resolved. If you experience problems receiving your orders in a timely manner, please contact the Compliance Unit. Thank you for your patience, while DFG works on a resolution.

Return of Expired Inventory

The 2007/2008 Hunting items have expired. If you haven't already, please complete a 2007/2008 Hunting Report Form and return the items to the License and Revenue Branch as soon as possible. The last day to receive credit for these items is December 31, 2008. Report forms are available online at: www.dfg.ca.gov/licensing/agents/agents.html.

Sales Reminders....

Instructions for Issuance

Please remind license sales staff to read the instructions on the license books prior to issuing license items. Questions regarding license requirements, issuance or reporting should be directed to the Department's Compliance Unit.

Before Issuing a Hunting License

All applicants must show evidence of hunter education to obtain a California hunting license. Please refer to the inside back cover of the hunting license books for acceptable proofs of hunter education.

License Issuance

By law, you cannot issue a blank license. When issuing a license, you must enter the date issued, the name, residence address, date of birth, and physical description. When someone buys a license for another person, you must write in the licensee's name and residence address before issuing the license. The licensee may not use the license until he/she has signed it and filled in the missing information (physical description and date of birth). (Sections 705 and 707, Title 14, California Code of Regulations)
